FREE BRADLEY MANNING

Bradley Manning, a 23-year-old, openly gay, US Army intelligence analyst is facing life in prison. He is accused of sharing the following with Wikileaks: a video of the killing of civilians by a US helicopter in Iraq, the Guantanamo Files, the Afghan War Diary, the Iraq War Logs, and revealing US diplomatic cables. In short, he's been charged with telling us the truth about controversial wars, foreign policies and corporate and government corruption and tyranny.
